But this I say, He which soweth sparingly shall reap also sparingly; and he which soweth bountifully shall reap also bountifully.

Every man according as he purposeth in his heart, so let him give; not grudgingly, or of necessity: for God loveth a cheerful giver.

And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work:

Health Ministry – Seasonal Affective Disorder Awareness Month

Seasonal Affective Disorder (SAD) is a type of depression that’s related to changes in seasons. Risk also increases in those with depression or bipolar disorder, as well as those with a family history of depression, bipolar disorder, or schizophrenia. As days become shorter, the lower levels of sunlight may affect your body chemistry, by altering your levels of melatonin (which increases sleepiness), and serotonin (which regulates mood). Seasonal Affect Disorder impacts 10,000,000 Americans every year.

Your health is a life long journey 1) Take care of body and mind; 2) Get and stay active; 3) Manage a healthy weight; 4) Practice good sleep habits
