This program provides young ladies (ages 11-14) enrichment, service activities, leadership skills and exposure to new ideas and experiences to equip them for the 21st century and beyond.

The Dr. Betty Shabazz Delta Academy was created in 1998 out of an urgent sense that bold action is needed to address issues such as academic failure and low self-esteem confronting our young females. Today, the program aims to help young ladies (ages 11-14) learn to make their dreams a part of their being and a foundation for their future.

Health Ministry – Colorectal Cancer Awareness Month

Also known as colon cancer which develops in the inner lining of the colon or rectum. It often starts from polyps in the colon, which may not cause symptoms initially. Regular screening is crucial for early detection and can significantly lower the risk of developing colorectal cancer.

Your health is a life long journey 1) Take care of body and mind; 2) Get and stay active; 3) Manage a healthy weight; 4) Practice good sleep habits

Children’s Ministry

Children ages 4–5 will meet in the room **across from the nursery** during Sunday service.

- **Doors open:** 9:45 a.m.
- **Pick-up:** At the conclusion of the church service

We are also **seeking adult volunteers** who enjoy nurturing and teaching young children in a Christian setting. This is a wonderful opportunity to help shape children’s understanding of **God and Jesus** and support their faith as they grow. If you are interested in volunteering or would like more information, please contact: Linda Davis at healed_2001@yahoo.com or 678-372-1690.
